Couldn't wait

by KagomeBenihime

Summary

Will makes the mistake of teasing Hannibal while he's at work. Hannibal needs to punish his boy.

Hannibal kissed Will's forehead gently, smiling as the younger man sighed and shifted in his sleep. As much as Hannibal wanted to stay, he had appointments to attend to. He left for work, having left breakfast for Will on the bedside table.

Hannibal had finished the first few appointments when he felt his phone buzz. Once his appointment had left, he opened the text, seeing Will, looking almost childlike in an over large white button up that Hannibal recognized as his own. The text read "Couldn't find mine, I hope you don't mind."

Hannibal took a moment to admire the picture, Will's pale legs, the sleeves too long for Will and the sweet look on his face…

Hannibal put the phone away as his next appointment knocked at the door.

As Hannibal showed that appointment out, his phone buzzed again, opening it, Hannibal saw a picture of Will on his knees, legs spread and the shirt bunched around his shoulders as he played with himself. "Come home soon."

Hannibal stared for a long moment before moving to the restroom at the back of his office, planning the excuse for the rest of his appointments that day.

Will was in Jack's office when Hannibal came in, "I returned home to find you gone. Care to explain?"

Will gave Hannibal an innocent puppy eyed face, "I couldn't wait anymore…"

"Get a room…" Jack grumbled, rolling his eyes.

"An excellent suggestion, Jack." Hannibal said briskly before scooping Will up and hoisting him over his shoulder before leaving the room.

Will had a fleeting glimpse of Jack Crawford's absolutely flabbergasted face before he was gone from view.

"Ah! Daddy, I'm sorry!" Will whimpered as Hannibal swatted his ass again, "I know I should have waited but-"

"Enough." Hannibal said, an extra hard slap extenuating his point, "if you knew, you wouldn't have done it, which means, you need another lesson in patience."

Will whined, knowing Hannibal wouldn't let Will cum until he was sure Will had learned a lesson.

Hannibal spun Will around and pressed him back against the wall of the supply closet they were in before hooking his arms under Will’s legs and lifting him up, positioning himself at Will's entrance and dropping Will down on his cock.

Will moaned loudly, gasping at the sudden penetration, "D-Daddy… please…"

"Please what, sweetie? You know to be specific." Hannibal breathed in Will’s ear.

Will gasped weakly as Hannibal began lifting Will up and dropping him back down again and again. "Please Daddy, I'll be good, just let me cum…"

Hannibal hummed thoughtfully, "Do you promise, sweetie?"

"Yes Daddy!" Will gasped, gripping at Hannibal's shoulders so he wouldn't fall, "I promise! I'll be a good boy!"

Hannibal smiled, he intended to utilize that promise later, once they were home, "Cum then." He commanded, thrusting in deep and cumming hard.

Will’s head fell back as he came untouched with a loud moan.

"Good boy." Hannibal murmured softly, "when we get home, you will show me how good of a boy you can be."

Will nodded quickly, "Yes daddy."

Beverly looked at the other two, "I think they're done…" she said softly.

Jimmy was red as a tomato as he continued working.

David still looked shocked, "Never thought stoic Graham would be into that…"

Beverly punched Z in the arm lightly, "He's getting more than you are so don't go criticizing."

"Still," Jimmy said softly, "surely they know the walls aren't that thick here."

Beverly grinned, "I for one, am glad they chose the closest one to us. Now I have more ammo to tease Will with."
